## About Me

I graduated from Sakarya University with a master's degree in 2-year associate's degree in Computer Programming. During the 3-month summer internship process, I worked with Wordpress and Html at Altınbaş University. I also completed my 5-month internship under Picus Security in order to learn and improve myself. I have been working in the field of Web Design and Development for 4 years.

Programming Languages and Project Studies that , I have experience in :

Wordpress & Plugins (Elementor, E-commerce)
Html5
Css3
JavaScript
Bootstrap & JQuerry
Asp.net & MVC
Adobe Creative Cloud
Figma
